## *The Camelot:*

This package offers the same beautiful hand-turned wedding album as the other packages, yet with slightly less coverage time, but still enough time to create creatively stunning wedding day imagery without being rushed. A collection of 4x5, 5x7, 8x10 or 10x10 images adorn the pages of this elegant, storybook design, perfect for average sized weddings. Minimum of 100 images.  
As with all of our packages, you choose the album cover design, color and page edge accents.  
5 hours total coverage time.....\$2499

## *The Renaissance:*

Renaissance makes the finest wedding albums anywhere in the world, and we even include them in our smaller packages. A guaranteed minimum of 80 images, in our same collection of various sized prints, just like our larger packages, bound in the world's finest album, Renaissance. Your choice of album cover design and color.  
4 hours total coverage time.....\$1999

## *The Classic:*

60 4x5's custom prints bound in our Renaissance, bible gilt, tooled cover slim-line wedding album. Perfect for the budget minded bride who wants the best photography available without as much time.  
3 hours total coverage time.....\$1499

## *Silver Selection:*

For the bride who doesn't need or desire an album, but wants the exclusive imagery of Mark McCall.  
50 4x5 images in a leatherette presentation box.  
2 hours total coverage time.....\$699

## *Minimum Image Guarantee*

Each of our package collections contains a minimum number of images. This means that you are guaranteed to get at least that many images. But usually there are many more images in the album than the minimum number of guaranteed images. We are limited only by the number of images that album will hold. Ask about our Platinum Edition album. You get unlimited photos when upgrading to this truly unique album.
